BULLETIN
SCHEDULE OF CLASSES
to be offered in
THE UNDERGRADUATE SCHOOLS
during
The Summer Session, 1965

FIRST TERM: June 7-July 14
SECOND TERM: July 19-August 20

THE SUMMER SESSION

The Summer Session is an integral part of the University year, with every academic department represented in the summer offerings. All courses are equivalent to those offered in the regular year in method, content, and credit and enforce the same prerequisites.

The courses offered in the two terms of The Summer Session are chosen from the broader offerings of the regular year to meet the need of the following:

1. Students enrolled during the regular year, and transferring students who wish to accelerate their progress toward degrees or pre-professional qualifications or to make up deficiencies.
2. Graduate students who find it necessary or desirable to use summer periods for study.
3. Teachers and school administrators who wish to complete degree requirements or to take particular courses to improve their professional standing.
4. Transient students pursuing degree work at other colleges or universities.
5. High school graduates who desire to begin their college careers at once in order to make course loads during their regular freshman year more nearly manageable.

For a partial list of the institutes, workshops, and other special events scheduled for the University campus during the 1965 Summer Session see page 31.

(See Step 1, Registration Procedure, page 5 of this Schedule.)

Former Students

A former student is defined as (1) one who was not registered at Memphis State University during the Spring semester, 1965, and/or (2) one who has attended another college since he last attended Memphis State. REGISTRATION OF CURRENT STUDENTS

Students enrolled at Memphis State University during the spring semester, 1965, and who wish to enroll for The Summer Session will have registration material prepared for them only if they notify the Dean of Admissions of their intention to enroll. If notification is given to the Admissions Office no later than April 19, 1965, registration materials will be available during the early pick-up period, May 11-14, 1965. Students who do not give notification by April 19 may not obtain any registration material until the regular time for their registration by alphabetical group as indicated in the calendar above.

EARLY PICK-UP OF PACKETS

(Current and Former Students)

Former students and students currently enrolled at Memphis State University will save time and avoid confusion if they take advantage of the opportunity to complete the first three steps of the registration procedure several weeks before the beginning of the formal registration period. If these students complete all re-admission requirements before Monday, April 19, 1965, they may pick up their registration packets at the office of the Dean of Admissions (Records Section, Room 218, Administration Building) on May 11, 12, 13, or 14. Students who do *NOT* complete all re-admission requirements before April 19, 1965 may not obtain any registration material until the regular time for their registration by alphabetical group as indicated in the calendar on page 4.

After he obtains his packet during the early-pick-up period, the student should confer with his adviser concerning his Summer Session schedule; if his schedule is approved, he may go direct to the Card Center on the day and at the time scheduled for his registration. Students who do not pick up their packets early must see their advisers on the day of registration before they may be admitted to the Card Center.

ORIENTATION CONFERENCE

An orientation conference for all beginning freshmen, transfer students, and summer transient students will be held in the University auditorium beginning at 8:00 A.M., Tuesday, June 8. Attendance is required. No one will be admitted to the conference unless he has a registration packet or a special permit. Packets will be distributed from 7:15 A.M. until 8:00 A.M. on the morning of orientation from the office of the Dean of Admissions (Records Section, Room 218, Administration Building).

REGISTRATION PROCEDURE

STEP 1: Get registration packet from the office of the Dean of Admissions (Records Section), Room 218, Administration Building.

- a. Current and former students who have notified the Dean of Admissions no later than April 19, 1965 that they intend to enroll in The Summer Session may pick up registration packets from May 11 through May 14.
- b. Current and former students who do not notify the Dean of Admissions by April 19, 1965 that they intend to enroll in The Summer Session may pick up their registration packets at the time indicated for the registration of their alphabetical group. (See calendar on page 4.)
- c. Beginning freshmen, transfer students, and summer transient students will pick up their packets between 7:15 A.M. and 8:00 A.M. on Tuesday, June 8, prior to the opening of the orientation conference in the University auditorium. No one will be admitted to the Auditorium for the orientation conference without a packet or a permit from the Records Office.

STEP 2: Fill in (using *pencil*, please) all the information called for on the cards in the registration packet **EXCEPT FOR CLASS SCHEDULES**.

- a. Class schedules must not be entered on any of these cards until after the proper class cards have been issued in the card center.
- b. All other information must be furnished in full. Failure to complete all of the forms fully will only delay your registration.
- c. Be very careful not to bend or in anyway mutilate the IBM cards in this packet. If any of the cards are damaged or lost, you will face a long delay at registration time.

STEP 3: Take your packet to your adviser for help in planning your schedule; **after he has approved the schedule, have him sign the adviser's card.**

- a. Current and former students who pick up packets between May 11 and May 14 may obtain their advisers' signatures any time before the beginning of the final examination period. Advisers will not be available during spring semester examinations, from May 21 through May 27.
- b. Current and former students who do not pick up packets early must get advisers' signatures on the day of registration before entering the card center.

- c. Summer transient students, transfer students, and beginning freshmen will be given necessary information about advisers at the orientation conference at 8:00 A.M., Tuesday, June 8 in the University auditorium.

- STEP 4:** At the time indicated for your alphabetical group (see page 4), go to the Card Center in the Student Center Building and apply to each department listed on your adviser's card for the appropriate course card and admission card. (If you find it necessary to make minor changes in your schedule after you have reached the Card Center, you may do so without returning to your adviser; however, if you feel the need of further counseling, do not hesitate to return to your adviser.)
- STEP 5:** (FOR WOMEN STUDENTS ONLY) All women students must go to the office of the Dean of Women, Room 219, Administration Building, for approval of their residence.
- STEP 6:** Take the registration packet along with the schedule card, class cards, and admission cards to the dean of the school in which you are majoring; during the registration period the deans are located as follows:
ARTS AND SCIENCES: Study Room, lower floor, Student Center
BUSINESS ADMINISTRATION: School of Business Administration Building
EDUCATION: Banquet room, Cafeteria
INDUSTRIAL ARTS: Industrial Arts Building
- STEP 7:** After the dean has approved your schedule, take your registration packet to the office of the Business Manager, Room 228, Administration Building, and settle your account. **NO REGISTRATION IS COMPLETE UNTIL ALL FEES HAVE BEEN PAID.** For information concerning fees for The Summer Session, see page 7.
- STEP 8:** (FOR VETERANS AND WAR ORPHANS ONLY) After your fees have been paid, report to Mr. Leo Davis, Office of Veterans' Affairs, located in the Student Center.
- STEP 9:** (FOR STUDENTS WHO DRIVE AUTOMOBILES ON CAMPUS) If you plan to drive an automobile on the campus, you must register it in the Traffic Office on the first floor of the Administration Building and obtain a University permit. (Permits issued for the fall or spring semester, 1964-65, are valid for the summer.) The fee for a summer permit is \$1.00. Fines will be assessed against any unregistered automobile parked on the campus or on any University-owned parking lot.

ADVISERS

At the time of registration each student at Memphis State University is assigned to a faculty member who will serve as his academic adviser. This adviser is a member of the department in which the student is majoring; for this reason, it is necessary that every student be prepared to name a major area at the time he registers. Such choices are not necessarily permanent or binding; the student may change his major area at any time during his college career with a minimum of administrative procedure.

- a. **CURRENT and FORMER STUDENTS** will report to the faculty members who have advised them in the past. If any change in advisers is necessary or desired, application must be made to the chairman of the department concerned.
- b. **BEGINNING FRESHMEN, TRANSFER STUDENTS, and SUMMER TRANSIENT STUDENTS** will be given information concerning advisers during the orientation sessions.

In certain pre-professional areas the University has established committees composed of faculty members from various schools and departments for the purpose of advising students interested in preparing for professional careers. Such students should report at their scheduled time to these committees:

PRE-MEDICAL ADVISORY COMMITTEE (Chairman: Dr. Elmore Holmes, Professor of Chemistry) Room 120 Manning Hall. Office of the Chairman, M-20
 (This committee will advise students interested in careers in medicine, dentistry, pharmacy, nursing, medical technology, veterinary medicine, optometry, and related fields.)

PRE-LAW ADVISORY COMMITTEE (Chairman: Dr. Erwin C. Buell, Professor of Political Science) Room 411 Business Administration Building.

PRE-ENGINEERING ADVISORY COMMITTEE (Chairman: Dr. Don P. Claypool, Professor of Chemistry) Room 303 Administration Building. Chairman's office Room 132 Manning Hall.

PRE-SOCIAL WORK ADVISER: Mr. Charles Henderson, Assistant Professor of Sociology.

REGISTRATION FEES

For residents of Tennessee: \$7.50 per semester hour OR \$55.00 for the complete two-term session

For non-residents of Tennessee: \$15.00 per semester hour OR \$110.00 for the complete two-term session

IMPORTANT NOTE: The student must indicate his choice of payment plan at the time of his initial summer session registration. He may not shift from one plan to the other after his initial registration. The \$55.00 (or \$110.00) fee entitles him to register for a maximum of 14 semester hours in two terms; **NO PART OF THIS FEE IS RETURNABLE** (unless the student withdraws from the University within the refundable period). If he registers for less than the maximum number of hours, or if he attends for only one term, no part of the \$55.00 (or \$110.00) payment will be refunded. If he wishes to register for only one term or for less than 8 semester hours for two terms, it will, of course, be to his advantage to pay at the rate of \$7.50 (or \$15.00) per semester hour.

CLASS SCHEDULE

During The Summer Session each class meets for ninety minutes; the beginning and ending times as follows:

Period 1	7:00 to 8:30	Period 3	10:20 to 11:50
Period 2	8:40 to 10:10	Period 4	12:00 to 1:30

CHANGE OF COURSE PROCEDURE

After a student's registration is completed, he may, within specified time limits, change his class schedule through the process of adding and/or dropping courses. Application for permission to add or drop courses is made to the student's adviser; a transient student who has not been assigned an adviser must make application to the chairman of the department offering the course which he wishes to add or drop.

No first-term course may be added after Monday, June 14

No first-term course may be dropped after Friday, June 18

No second-term course may be added after Thursday, July 22

No second-term course may be dropped after Thursday, July 29

No two-term course may be added after Monday, June 14

No two-term course may be dropped after Friday, June 25

IMPORTANT NOTE: It is sometimes necessary for a student to request a change from one section of a course to another section of the same course; such changes will be allowed only in extreme emergencies. The procedure involves dropping one section and adding another; it must be done within the time limits noted above, and **MUST BE APPROVED BY THE CHAIRMAN OF THE DEPARTMENT CONCERNED.**

WITHDRAWAL FROM THE UNIVERSITY

A student may withdraw from the University by advising DEAN R. M. ROBISON in person or in writing. Failure to notify Dean Robison of withdrawal will result in a grade of "F" for each course in which the student is registered.

Students who withdraw before FRIDAY, JUNE 18 (for the first term) or THURSDAY, JULY 29 (for the second term) will have their records marked "Withdrawn."

Students who withdraw after FRIDAY, JUNE 18 (for the first term) or THURSDAY, JULY 29 (for the second term) will have each of their courses recorded as "PW" (withdrew passing) or "PF" (withdrew failing) depending upon their performance in each course at the time of withdrawal.

No withdrawal is permitted within three days of the beginning of the final examination period, or after MONDAY, JULY 12 (for the first term) or MONDAY, AUGUST 19 (for the second term).

FINAL EXAMINATIONS

During The Summer Session final examinations are given on the day indicated in the calendar at the regularly scheduled meeting of the class. Each examination, thus, is ninety minutes in length and attendance is compulsory. Absence from a final examination without the permission of the instructor incurs a mark of F.
